

TO WHOM IT MAY CONCERN

GABRIEL N. GATICA, President of the Organizing Committee of the **Fourth Chilean Workshop on Numerical Analysis of Partial Differential Equations (WONAPDE 2013)**, held at the Universidad de Concepción, Concepción, Chile, during January 14 - 18, 2013, certifies that FRANCESCO VECIL presented the work entitled: *A semi-Lagrangian AMR scheme for 2D transport problems in conservation form*, in the Minisymposium: *Adaptive Numerical Techniques for Partial Differential Equations*.
